REGULATION OF THE MEDITERRANEAN TROPHY

1. Trophy and diploma winners of TDM will be assigned as part of that exhibition, which closes the circuit, to dogs that have obtained in the year of the competition three CACIB in the three different countries by three different judges : the Principality of Monaco - Italy - France . All three CACIB original cards must be presented to the Organizing Committee Secretariat to be able to start the procedures..
2. The Award is intended both for males and females.
3. Once the winners established, at the exhibition which closes the circuit, all qualified dogs (also those of the same breed but of different sex) will parade on the Ring d’Honneur, and a judge will decide the winner for the “**Best of Trophy**”.

The Trophy will be a “Challenger” on which the winner’s name, title and date will be affixed each year. The winner will make a victory lap and be photographed with the Trophy but cannot leave the exhibition with the “Challenger”. He must return this Trophy to the Organizing Committee on his departure.
